Outing consent

Throughout the academic year we will be organising occasional daily trips and visits to places of educational interest. The students will, of course, always be accompanied by the teaching staff. We will inform you when these visits are planned and what each outing consists of so you have sufficient time to prepare, if this proves necessary.

In order to help we would ask you to give permission for your child to go, accompanied, beyond the school premises. Please tick the box of your choice below and sign for confirmation.
